PRESIDENT'S MESSAGE...

This is the first combined N.T.B.L. Junior Series, and marks another step forward as we progress towards full membership of the Australian Baseball Federation and participation in the Claxton Shield.

Opportunities for our baseballers are gathering momentum not only in the N.T., but throughout Australia and the world, two recent examples being Australian participation in the World Amateur Series at Rimini, Italy, and the recognition of 38 countries in the International Amateur Baseball Association (A.I.N.B.A.) by the International Olympic Committee.

On behalf of the N.T.B.L., I thank the A.B.F. National Coaching Directorate and T.A.A. for their attendance at the Series, and coaching our players. I congratulate the Association and baseball fraternity of Alice Springs in hosting the Series, and look forward to some exciting baseball.

LYEL N. KEMPSTER,
PRESIDENT, N.T.B.L.
